

# Ku-ring-gai High School

*inspire*

*challenge*

*create*

## **Apple Computers**

Apple have recently moved to partnering with schools to offer discounts to high school students and their families. Ku-ring-gai High School is the first school to form such a partnership with the Apple Store at Hornsby. Until such time as a custom portal is available, other options for purchase are available below. Note that Ku-ring-gai High School makes no supplier recommendations and has made this option available for the convenience of our families so that they may access education pricing and to ensure our students obtain devices that meet the minimum specification required by Department of Education infrastructure.

## **Product Purchase and Pricing**

To purchase an Apple device that meets Ku-ring-gai High School's minimum specifications for student's use in the classroom, visit your local Apple Store or call 133-622 to purchase through our contact centre. To find your local Apple store visit [www.apple.com/au/retail](http://www.apple.com/au/retail).

Apple offers special pricing for students attending our school. This special pricing is available for purchases made at Apple Stores or via the Apple contact centre. If you are purchasing in-store or over the phone just let the Specialist know the name of our school.

Finance options are also available for purchases if you are purchasing at an Apple Store and are a family decision.

## **Apple have provided the following information:**

The Apple Store is a great place to learn about, try and buy Apple products for education. Apple Specialists are on hand to help you and your student get to know your new Apple device, and with Personal Setup they can help get new devices up and running before you leave the store.

You and your students can join one of the daily in-store workshops to learn a new skill, and your students can get learning and creating at one of the Apple Camp or Field Trip events. Visit [www.apple.com/au/retail](http://www.apple.com/au/retail) to find an Apple Store near you and view the schedule.

Apple can also provide support with everything related to your new Apple purchase — from using iPad to troubleshooting iTunes. You can get support by phone, email or online chat or set up a repair or Genius Bar reservation at [getsupport.apple.com](http://getsupport.apple.com).

Apple offers:

- training for parents and students
- a digital experience
- an in-store experience
- in-store and Apple Care support
